

Announcement regarding Covid-19 virus

During this unprecedented time, we will maintain our essential role in the food chain, unless otherwise instructed by Government. We are functioning at full capacity and you may order from us with confidence. Should the situation change we will keep you updated!

Some changes that we are undertaking:

- If you are picking up chicks or equipment please wait your turn to enter the office (one out, one in). only one person should come in to pickup the order.
- Please do not come if you have cold or flu symptoms
- Use the hand sanitizer provided
- Keep a distance of two meters from others
- Your chicks will be brought to your vehicle
- We will not be supplying 4-week old broilers this season.

We wish you and your family a safe year.
